

Nykaa Campaign Performance Analysis

PRESENTED BY : HASEEMA IBRAHIMBAVAGE

Introduction

The Digital Marketing Imperative

- Nykaa uses social media, paid ads, influencer campaigns, and email to reach customers at scale.
- Digital channels help target diverse segments with precision.

Project Scope

- Analyze impressions, clicks, conversions, revenue, acquisition cost, and engagement.
- Measure campaign effectiveness and inform strategy.

Objectives

Campaign performance

Measure effectiveness across channels.

Revenue and ROI

Identify the highest-return campaigns.

Audience engagement

Track interaction and response by segment.

Cost efficiency

Optimize acquisition spend and results.

Key Details

Campaign ID

Unique identifier for each campaign.

Campaign Type

Type of campaign, such as awareness or conversion.

Target Audience

Intended customer group for the campaign.

Duration

Campaign timeframe or active period.

Channel_Used

Platform used to run the campaign.

Impressions

Total number of ad views.

Clicks

Number of times users clicked the ad.

Leads

Potential customers captured by the campaign.

Conversions

Completed desired actions.

Revenue

Total revenue generated.

Acquisition Cost

Cost to acquire one customer.

ROI

Return on investment performance.

Language

Language used in the campaign.

Engagement Score

Measure of audience interaction.

Customer Segment

Customer group targeted by the campaign.

Date

Campaign date.

Dashboard

Charts & Visualizations Used

Revenue Trend Over Time

Shows growth trends and seasonal peaks.

Campaign Type Distribution

Shows campaign mix and strategy allocation.

Customer Segment Comparison

Identifies highest-value customer groups.

Top 5 Channels by Revenue

Prioritizes budget to best performers.

Customer Segment Analysis

Shows segment contribution to revenue.

KPI Cards

Quick performance overview at a glance.

Slicers/Filters

Enables real-time filtering and cross-chart insights.

Key Insights

Paid Ads – High Revenue, High Cost

High revenue, elevated costs.

Influencer Campaigns – Engagement Leaders

Highest engagement, strong brand affinity.

YouTube & Instagram – Top Channels

Top reach and conversions.

Premium Shoppers – Highest Revenue

Drive disproportionate revenue.

Impression-Conversion Gap

Needs messaging optimization.

Suggestions

Optimize Paid Ads Targeting

Reduce acquisition costs.

Prioritize YouTube & Instagram

Shift resources to top channels.

Improve Landing Pages

Test messaging to boost conversions.

Scale Influencer Campaigns

Increase budget for high engagement.

Focus on Premium Segments

Target premium shoppers for revenue.

Implement Real-time Monitoring

Track performance by channel continuously.

Conclusion

Data-Driven Strategy

Channel selection and audience targeting drive ROI.

Performance Insights

Dashboards reveal actionable intelligence.

Optimization Opportunity

Continuous monitoring improves efficiency.

Competitive Advantage

Visualization enables faster decision-making.

Business Impact

Align spend with customer behavior at scale.

Thank You
